

FONDAZIONE
GIANNI
BONADONNA

INTERESTED IN A CAREER IN CANCER RESEARCH AS PHYSICIAN SCIENTIST?

THE “GIANNI BONADONNA FELLOWSHIPS” MAY BE WHAT YOU ARE LOOKING FOR!

The “**Gianni Bonadonna Fellowships**” are co-funded by **Fondazione AIRC** and **Fondazione Gianni Bonadonna**. The 2 or 3-year fellowships will be awarded to highly qualified medical doctors who wish to broaden or acquire research experience in a cancer-focused laboratory outside of Italy.

To be eligible, applicants must meet **one** of the following criteria at the time of the submission deadline:

- be enrolled in the last two years of residency in one of the Italian Specialty Schools in **Oncology** or **Hematology**;
- have received the Italian Board certification (“diploma di specializzazione”) in Oncology or Hematology not earlier than June ,1 2020.

The Call for Proposals is now open (deadline June 8,2022).

Don't miss this opportunity!

Fondazione AIRC raises funds to support cancer research in Italy. Its mission is to understand, prevent and cure cancer through research and outreach activities.

Fondazione Gianni Bonadonna pursues the legacy of Gianni Bonadonna by pioneering therapeutic innovation to treat cancer and by supporting young doctors to become oncology physicians and clinical scientists.
